

## Destruction By Russians In Early Days of the War

THE OIL FIELDS OF GALICIA ARE AMONG THE GREATEST IN THE WORLD. THOSE AT BOGUSLAV IN EAST GALICIA WERE BURNED BY THE RUSSIANS DURING THEIR FIRST INVASION AND THE MACHINERY WRECKED.

ORTELBURG, IN EAST PRUSSIA, SUFFERED HEAVILY WHEN THE RUSSIANS SWEEPED OVER THE BORDER. THIS VIEW OF PART OF THE CITY WAS TAKEN FROM THE TOWER OF A CHURCH AND SHOWS THE HAVOC WROUGHT.
